EDUCATION

Bethel School of Technology, Powered by Woz U

Jan 2019-Sept 2019

- Learned how to build robust web applications using JavaScript, React and Angular
- Acquired skills to program using JavaScript
- Built database-driven web applications using Node.JS and MongoDB
- Created richly interactive client-side apps using the JavaScript React.JS library
- Worked 30-50+ hours weekly on individual and team projects

PROJECTS

ID Card

- My first project during Bethel School of Technology
- A user can input data to create an ID. I used JavaScript, HTML AND CSS
- <https://github.com/valimasca/Card-ID>

Personal Website

- My first single-page website created during the second module at Bethel School of Technology
- Frameworks used: HTML, CSS, jQuery, AJAX, and JavaScript
- <https://github.com/valimasca/My-first-personal-website>

AJAX

- My first AJAX project during the second module at Bethel School of Technology
- Learned how to display information on a webpage through an AJAX request
- <https://github.com/valimasca/AJAX>

Final Project with Bethel School of Technology: Task Ticket

- Final group project for school, working alongside 3 other colleagues from Bethel School of Technology
- The biggest challenge that I overcame was learning how to implement Axios.
- Worked on the back-end with Node.JS, Express.JS, but also contributed to the front-end build with React
- Back-end: <https://github.com/bethel-school-of-technology/taskticket-backend>
- Front-end: <https://github.com/bethel-school-of-technology/taskticket-frontend>
- Deployment: <http://taskticket.s3-website-us-west-1.amazonaws.com>

EXPERIENCE

Data Entry Clerk in Advancement Department, Bethel Church, Redding, California

May 2019-Current

- Entering data inside Salesforce CRM platform
- Managing receipts and reimbursements for field officers

Discharge Coordinator & Healthcare Assistant, National Health Services, England

Jan 2011-Oct 2018

- Worked closely with software and systems provided by Cisco
- Consistently worked in a fast-paced environment
- Served as the lead Discharge Coordinator in surgical ward
